About National Productivity Month 2014 (NPM 2014)

National Productivity Month (NPM) to be held in October 2014 is a national-level initiative to showcase and share ideas, methods and perspectives on how companies can improve productivity. Co-organised by the Singapore Business Federation (SBF) and Singapore National Employers' Federation (SNEF), NPM 2014 will be launched on 7 October, followed by productivity-themed sector-level events in manufacturing, healthcare, retail, food services, hospitality and construction organised in collaboration with other industry association and government agencies. Besides providing networking and learning opportunities for business leaders, the various activities within NPM 2014 will also be a platform for senior executives to have access to thought leaders, subject matter experts and industry captains who have successfully embarked on revamping their business models.
